

# 2 SHELF MANAGEMENT

Keeping products organized and shelf displays neat are both key components to increasing sales. Customers can easily find the products they need because shelves stay stocked. With products like Bruegmann Group's line of pushers, products are always fronted, which helps save in labor costs when it comes time to stock shelves. And who doesn't love saving money?

ACCESSORIES .....	47
BACK RAILS .....	45-47
BREAKAWAY DIVIDERS .....	38-41
DIVIDERS .....	30-31
DIVIDER WITH T-RETAINER .....	32-33
DIVIDER WITH RIGHT-RETAINER .....	34-35
DIVIDER WITH LEFT-RETAINER .....	36-37
FLEX ROLLERS .....	48-49
FRONT RAILS .....	44-45
PUSHERS .....	42-43
PUSHER DIVIDER INFOSTRIP .....	45

**60.2 | Divider - Small**

- Divider with front and back attachment points
- Height: 2-3/8" (60mm)
- Material: SAN, PC, Recycled PET

**120.2 | Divider - Tall**

- Divider with front and back attachment points
- Height: 4-3/4" (120mm)
- Material: SAN, PC, Recycled PET

ITEM NO.	PRODUCT NAME	SHELF DEPTH

**PU.50B | Wide Pusher Breakaway**

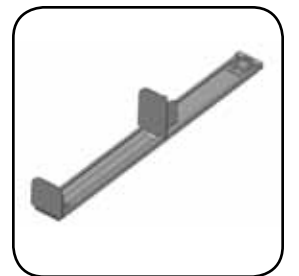

- Pusher with front and back attachment points
- Breakaway in 1" (25mm) increments
- Track width: 2" (50mm)
- Available for any depth
- Mounting Options: T-Rail (4500), U-Rail (4600)

PU.30 | --- | ---

**PU.30 | Rokit Pusher**

- Pusher with front and back attachment points
- Low profile
- Track width: 1-1/8" (30mm)
- Available for any depth
- Mounting Option: U-Rail (4600)

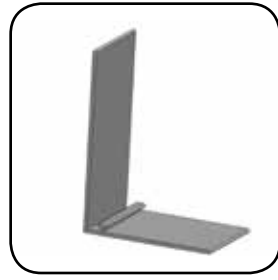

PU.30F | --- | ---

**PU.30F | Rokit Pusher**

- Pusher with front and back attachment points
- Includes front retainer
- Low profile
- Track width: 1-1/8" (30mm)
- Available for any depth
- Mounting Option: U-Rail (4600)

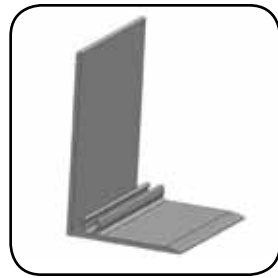

P49.T.ADH | --- | ---

**P49.T.ADH | Front T-Rail**

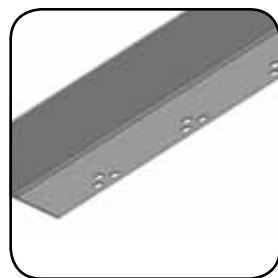

- Front rail with adhesive
- Retainer height: 2" (50mm)
- Available in custom lengths

P49.U.ADH | --- | ---

**P49.U.ADH | Front U-Rail**

- Front rail with adhesive
- Retainer height: 2" (50mm)
- Available in custom lengths

P49.T.HOL | --- | ---

**P49.T.HOL | Front T-Rail W/ Holes**

- Front rail with holes for pegs (PEG - pg 47)
- Hole location determined by customer
- Retainer height: 2" (50mm)
- Available in custom lengths

P49.U.HOL | --- | ---

**P49.U.HOL | Front U-Rail W/ Holes**

- Front rail with holes for pegs (PEG - pg 47)
- Hole location determined by customer
- Retainer height: 2" (50mm)
- Available in custom lengths

**PDI | Pusher and Divider Rail Infostrip**

- Mounts to flat shelf edge with permanent adhesive
- Includes T-Rail for 4500 series pusher/divider installation
- Price labels are displayed behind clear window
- Also available in custom colors and lengths

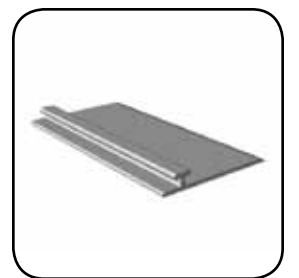

ITEM NO.	PRODUCT NAME	LABEL HEIGHT
PDI	PUSHER AND DIVIDER RAIL INFOSTRIP	1-1/2"   40mm

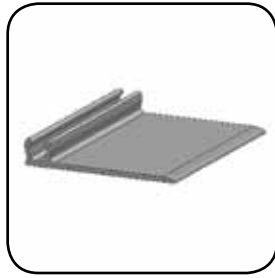

PDI 33/90 | --- | ---

**P30.T.ADH | Back T-Rail**

- Back rail with adhesive
- Base width: 1-1/8" (30mm)
- Available in custom lengths

P30.T.ADH | --- | ---

P30.U.ADH | --- | ---

**P30.U.ADH | Back U-Rail**

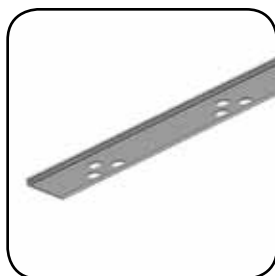

- Back rail with adhesive
- Base width: 1-1/8" (30mm)
- Available in custom lengths

P30.T.HOL | --- | ---

**P30.T.HOL | Back T-Rail w/ Holes**

- Back rail with holes for pegs (PEG - pg 47)
- Hole location determined by customer
- Base width: 1-1/8" (30mm)
- Available in custom lengths

P30.U.HOL | --- | ---

**P30.U.HOL | Back U-Rail w/ Holes**

- Back rail with holes for pegs (PEG - pg 47)
- Hole location determined by customer
- Base width: 1-1/8" (30mm)
- Available in custom lengths

P13.T.ADH | --- | ---

**P13.T.ADH | Back T-Rail**

- Back rail with adhesive
- Base width: 1/2" (13mm)
- Available in custom lengths

**PEG | Pusher Rail Peg**

- Mounts rail to metal shelving

PEG | --- | ---

**RU | Pusher Paddle**

- Clips onto Pusher housing

RU | --- | ---

ITEM NO.	PRODUCT NAME	WIDTH
